

Name Surname

Location (e.g. Seattle, WA)

Work experience

Your Job Title at Company Name

20xx – 20xx

1-4 sentences about your project/product. Mention business goals, interesting facts, the number of users, well-known clients, etc.

- Your role/results/achievements
- Highlight your accomplishments and where you've succeeded.
- Start your bullet points with action verbs in the past tense (*Built, Designed, Developed, Increased, Debugged, etc.*).
- Use numbers & percentages to highlight your achievements (*improved ... by 40%, reduced ... time by 50%, etc.*).
- Don't include too many details. Per position, no more than 8 bullets. The ideal bullet length is one or two lines.
- Your role/results/achievements

(Technology stack)
